References:

Two written references for every short-listed candidate will be requested immediately after short listing. A series of questions are asked from the referee including reference to whether the candidate has any disciplinary warnings including time-expired warnings, relating to the safeguarding of children and young people and whether the

applicant has been subject to any child protection concerns. The referee will also be asked to comment on the suitability of the candidate working with children.

One referee should be the current or most recent employer. If the current / most recent employment does / did not involve work with children, then the second reference should be from the employer with whom the applicant most recently worked with children.

Reference requests should enclose a copy of the job description and person specification.

If the references reveal any discrepancies or inconsistencies or any doubt or concerns about the person's suitability the issues should be followed up and explored with the referee.

Both references will be verified, asking Ofsted approved questions.

Qualifications

Copies of original qualifications will be taken on the interview day. The applicant must produce those qualifications which are essential within the person specification.

ID

ID will be taken and verified on the interview day, this will be used as part of the DBS online verifying process. ID should include photo ID (passport or photo card driving licence) that shows the candidate has the right to work in the UK and proof of address.

Only original document will be accepted and photocopies will be taken. Unsuccessful applicant documents will be destroyed six months after the recruitment programme.

Interviewing

At least one interviewer has undertaken safer recruitment training or refresher training as applicable.

The interview process will explore the applicant's ability to carry out the job description and meet the person specification.

If a member of staff gives a tour of the school to groups of candidates. The member of staff may be asked to join the interview panel at the end of the interviews to give their opinion and feedback on candidates.

There should be at least 2 people interviewing so that one can listen and make notes while the other talks to the candidate.

Questions should be open and interviewers should be clear in the responses they are expecting. A grid of the questions and space for notes will be provided to each interviewer for each candidate.

THE BATH AND MENDIP PARTNERSHIP TRUST

If a group of children are involved in selection process the member of staff working with them will join the interview panel at the end of the interviews to give their opinion and feedback on candidates.

The questions asked will be aimed at obtaining evidence of how each candidate meets the requirement of the Job Description and the Person Specification and each candidate will be assessed against all of the criteria for the post.

The same areas of questioning will be covered for each applicant and no questions which would discriminate directly or indirectly on protected characteristics under the Equality Act will be asked.

The selection process for every post will include exploration of the candidate's understanding of child safeguarding issues.

Candidates will always be required, to explain satisfactorily any gaps in employment, to explain satisfactorily any anomalies or discrepancies in the information available to the selection panel and to declare any information that is likely to appear on a DBS disclosure.

- Verify professional qualifications (original certificates), as required from the job description.
- Require the candidate to complete the school's Staff Suitability Declaration (to check for potential 'by association' safeguarding concerns) where applicable to the role in school i.e. in a 'relevant childcare' role

For those play workers who work on a regular basis (more than once a year) the relevant school may contribute to the DBS update service, for these individuals the update service will be checked instead of the completion of a safeguarding declaration.
