

Executive Pay Statement 2023-24 (Sept 23)

In line with the requirements of the Academies Financial Handbook, all academy Trusts must publish on their website in a separate, readily accessible form the number of employees whose benefits exceeded £100,000, in £10k bandings, as an extract from the disclosure in its financial statements for the previous year ended 31 August.

Benefits for this purpose include salary, other taxable benefits and termination payments, but not the trust's own pension costs.

In the case of employees who are trustees, their salary and other benefits will also be disclosed in £5k bandings in the trust's financial statements.

- There are no employees who are also trustees/directors of The Partnership Trust.
- Executive pay in The Partnership Trust is aligned to the Leadership Points within the School Teachers Pay and Conditions Document, which is a national pay framework negotiated between the national teacher unions and the Department for Education. The Leadership Points have been set for Headteachers. Annual inflationary awards are made by the Government, with the Secretary of State for Education and the Prime Minister receiving independent advice from the School Teachers' Review Body.
